INEUNTE ANNO 1803.

Vita sancti

N. Grove

13 XII 1803

(Sellers and Nohes, m. aug. 1886)

THE earliest existing Catalogue of the Restored English Province S.J. in the Archives is for the year 1831, a MS. in the handwriting of the late Father George Jenkins. To supply this serious historical deficiency, Catalogues at brief intervals from 1803 to 1828, have been carefully compiled from the Province Register and other authentic sources. These represent the years 1803, -7, -10, -15, -20, -25, and -28. From 1831 the succession is continuous.¹

Dec. 1885.

¹ It has not been possible in every instance to assign the classes at Stonyhurst College to their several masters, the only reliable source of information being defective upon this point.
