

Bibliography on the History of the Society of Jesus 2017¹

Paul Beghey SJ

The “Bibliography on the History of the Society of Jesus” was first produced for *AHSI* by László Polgár SJ, spanning fifty issues of the journal, between 1952 and 2001.

The Bibliography was resumed in 2006. In order to provide continuity with Fr Polgár’s work, it incorporates titles dated from 2000. Entries are divided into three sections: I. The entire Society; II. Countries; III. Persons. An Index of authors concludes the Bibliography.

Some further features of the Bibliography may be noted:

1. In each section, titles are listed in chronological order of publication and, within each year, in alphabetical order of author.
2. Author first names are provided as initials, not in full.
3. Book series, and book sizes, are not included with the publication details of volumes listed here.
4. Titles in private Jesuit publications are not listed.
5. Publications on the internet, unpublished dissertations and theses are not included.
6. All titles of publications have been standardised to lower case formatting.
7. Author names only are listed: abbreviations of religious orders or congregations are omitted after author names.

The following persons have generously assisted in putting together this bibliography: Nicoletta Basilotta (Roma), Andrzej Pawel Bieś SJ (Kraków), Clemens Brodkorb (Munich), Ad Dudink (Louvain), Dominique Gonnet SJ (Lyon), Luís González Quevedo SJ (Indaiatuba, SP), Yannick van Loon (Louvain), Nicolas Standaert SJ (Louvain), and Gabriel M. Verd SJ (Granada).

1 Published annually in *AHSI*. Bibliographies from 2006 are available online. Full text open access for vols I-XVIII (1932–49; 1996–2012) can be accessed at: <http://www.sjweb.info/arsi/Publications.cfm>. This Bibliography was completed with the editorial assistance of the staff at ARSI, Claudio Werner Pires SJ, Jörg Nies SJ, Olivia Thompson, and other generous anonymous helpers.
