

Bibliography on the History of the Society of Jesus 2019¹

Wenceslao Soto Artuñedo SJ

A collaboration between Archivum Romanum Societatis Iesu, Institute for Advanced Jesuit Studies (Boston College) and Jesuitica Project (KU Leuven)

The “Bibliography on the History of the Society of Jesus” was first produced for *AHSI* by László Polgár SJ, spanning fifty issues of the journal, between 1952 and 2001. The Bibliography was resumed in 2006 by Paul Begheyn SJ, who was its author until 2018. With appreciation and esteem for Fr Begheyn’s significant contribution to this enterprise, the collaborators on the “Bibliography on the History of the Society of Jesus 2019” enter a new phase of the Bibliography’s production, incorporating for the first time three distinct and interconnected outlets for exploring the bibliographical riches of Jesuit history:

-**Bibliography on the History of the Society of Jesus**, by Wenceslao Soto Artuñedo SJ, in print and online annually, *Archivum Historicum Societatis Iesu*: <http://www.sjweb.info/arsi/en/publications/ahsi/bibliography/>

-**Jesuit Online Bibliography**, a free, searchable collection of Jesuit Studies Scholarship through the Portal to Jesuit Studies: <https://jesuitonlinebibliography.bc.edu/>

-**Jesuitica**, a collaborative initiative from KU Leuven and the Jesuit Region ELC to facilitate academic research on the Maurits Sabbe Library’s Jesuitica book collections: <https://www.jesuitica.be/>

The 2019 Bibliography introduces some changes to the bibliographical styling and criteria for inclusion of works. As in previous years, in order to provide continuity with Fr Polgár’s work, it incorporates titles dated from 2000. Entries are divided into three sections: I. The entire Society; II. Countries; III. Persons. An Index of authors concludes the Bibliography. Some further features of the Bibliography may be noted:

1 The following persons have generously assisted in putting together this bibliography: Nicoletta Basilotta (Roma), Paul Begheyn (Amsterdam), Clemens Brodkorb (München), Cristiano Casalini (Boston), Carlos Coupeau (Bilbao), Michał Czerenkiewicz (Krakow), Bernard Deprez (Louvain), Ad Dudink (Louvain), Seth Meehan (Boston), Nicolas Standaert SJ (Louvain), Yannick Van Loon (Louvain), Gabriel M. Verd (Granada), Kasper Volk (Boston).

1. In each section, titles are listed in chronological order of publication and, within each year, in alphabetical order of author (works without named authors or editors are placed after these, by alphabetical order of title).
 2. Author names only are listed: abbreviations of religious orders or congregations are omitted after author names.
 3. Publications on the internet, titles in private Jesuit publications, book reviews, unpublished dissertations, and theses are not included.
- For more detailed bibliographies on spirituality, please consult the annual bibliography in the Spanish journal *Manresa*, and www.ignaziana.org, which provides a review of theological research.
