Just two minutes from St. Peter's *Residenza Madri Pie* lies literally 150 meters from the left colonnade of St. Peter's Square.

The pension is also within easy reach of the center of Rome via the nearby 64 and 46 bus routes.

It is run by the *Madri Pie* sisters and consists of 73 air-conditioned rooms, each of which is equipped with private bathroom, private telephone and safe. Of the 73 rooms, 30 are singles, 25 doubles, 16 triples and 2 are quadruples; many have balconies with a view of St. Peter's Dome. The garden is a real oasis with beautiful shady plants where guests can sit and sip a drink, or simply relax after walking around the city.

On the third floor of this pension, there is a chapel for quiet prayer; priests who come to stay can celebrate Mass here on request.

Breakfast every morning runs from 7 a.m. to 9 a.m., is served in the continental buffet style, and consists of fruit juice, cereals, fresh bread and brioches, butter, jam, coffee, hot and cold milk, tea and chocolate.
